

Globe Sound Healing and Therapy Institute Presents:

# GLOBE SOUND HEALING CONFERENCE

MAY 2-5, 2008

A full spectrum of industry professionals addressing important issues and topics in the rapidly expanding field of Sound Healing. Conference attendees will have the opportunity to experience and interact with over 40 of the top researchers, pioneers, instructors, doctors, alternative therapists, and musicians in the field. This group of knowledgeable veterans utilize a variety of techniques that range from the use of acoustic instruments to complex medical technologies. In addition to the daytime events, there will be 3 evening concerts.
