

Legal disclaimer

The information provided herein relates only to the specific material described and does not relate to its use by consumer whether alone or with any other party or any other material in any process. The information set forth herein is furnished and based on technical data and is believed to be reliable, but, Cymatherapy[®] International does not make any representation or warranty as to the accuracy or completeness of this information. This information is intended for persons having technical skill and at their own discretion and risk. The consumer is responsible for determining whether the information included herein is appropriate for the consumer's use and application whether alone or with any other party, and the consumer assumes full responsibility for conclusions it derives from this information and application. Neither Cymatherapy[®] International nor any of its officers, employees, directors, agents or other representatives shall have any liability to consumer or any of its officers, employees, directors, agents or other representatives resulting from consumer's use and application of this information. In as much as Cymatherapy[®] International has no reason to know how consumer intends to use or apply the information provided herein, and since conditions of use are outside of our control, we make no warranties express or implied, and assume no liability in connection with any use or application of this information.

1. User will adhere to and comply with the standards of practice, use and terminology as set forth by US FDA policy, or the regulations set forth by the consumer protection agency that governs my country or governing body. User will adhere to and comply with the standards of practice under user's licensure as set by user's country, state, or province. It is user's responsibility to know the scope of user's practice, and standards of user's practice, under user's professional licensure or certification, as they exist under the statutes set forth in the Practice Acts of user's individual state or province.

2. User has read and understands the material provided on the safe and prudent use of the Cyma[®] 1000 device. User will follow both, the device manufacturer's safety guidelines and US FDA policy or the regulations set forth by the consumer protection agency that governs my country or governing body. User considers self as a responsible user of the said device and will use competent and prudent judgment at all times while using this device for both self, and the clients, assuming any and all responsibilities of its use and application.
